

## Picnic Time Sunday Afternoon, July 25, 4:00 pm

Bob and Paulette Goodman have done it again — invited the whole gang to their place for a picnic. It will be held at their beautifully situated Lakeville home, located at 17394 Isleton Avenue, on the edge of the Christina Huddleston Elementary School Playground, where in the distant past a few of our number used to actually run around and play games. But in keeping with the shifting interests of the class, Bob and Paulette will provide chairs, soft drinks, burgers and buns. They ask that each family also bring a dish to share. Maybe we will even launch water balloons again!

## Adult Bible Fellowship Hour

With all the qualified teachers gone for the summer, Agape will be joined by Fidelis-Maranatha (and meeting in their room) for July and August except for the Sunday in August when we have no ABF but go instead to Lake Nokomis for a Baptism Service.

Teaching this triple class will be a relative unknown by the name of Ross Olson who is sometimes sacrilegiously referred to as "Dr. Olson." The topic for the summer will be a continuation of discussions on the Epistle of James.

### Gerhardts Gift

John and Wendy were delighted to get the gift of \$1400 towards their building project.

### Barb Hugo & Dave Boeltl

Barb is joining Dave and his band, The Rotators, on a trip to Fort Hope in northern Ontario for their annual Music Festival, leaving July 28 and returning August 2. It is the 8th trip for Barb and the zillionth for Dave.

If you wish to give, you can make a check out to Overcomers Ministry and mail to Dave at 1809 Wordsworth Avenue, St. Paul MN 55116.

### Grandma Linda

Doug and Linda are grandparents of Liam, born April 26 to Scott and Vanessa. Rumor has it that Doug has "the knack" of getting him to sleep. Do you get any 2am calls, Doug?

Just in...After a long struggle,  
Connie Hucek's father died.  
Pray for the family

### Steve Mondy

Steve seems to be recovering from his torn Achilles tendon and scary encounter with pulmonary emboli (blood clots going to the lungs). He has taken the reins as chairman of the church and has put his own touch on the job, seen when he gave a tribute to Paul and Evelyn Peterson on the occasion of their 50th Wedding Anniversary.

### Other Prayer Requests

Christy Fleming will be going to France to teach English. Pray for her. Since the French have never accepted the fact that English is actually the lingua franca of the world now, going there to teach it may be about as popular as bringing your own barbeque sauce into a fine French Restaurant.
