Joshua Fit The Battle..

April 10 and 17 will complete our study of the book of Joshua. Al Tunberg, with assistance from pastor Joel Sutton, will have brought us into the land flowing with coffee and doughnuts. After that there will be several weeks by our short term missionaries, Glenn and Apryl Hultstrand with Linda Beckett telling about their dental mission trip, Barb Hugo recounting her Caribbean ministry (do you feel a career call Barb?), Dave Boeltl and the ministry to Ojibwa villages in Canada, and Katie Hucek in Mexico. After that, the co-chairs may be open for suggestions and volunteers. Since we have become a class of old timers, remember that old timers all have lots of stories to tell, many of which are true.

Bob the Builder

On about May 7, Bob Goodman will leave for two weeks in Indonesia with EFCA Compassion Ministries, helping tsunami victims rebuild their homes. In addition to travel and living expenses, he will need to raise about \$1000 for building materials. Agape plans to designate offerings from now until he leaves to help with that mission.

Annual Picnic At Goodmans '

On Sunday, July 24 at 1:00 pm, the annual traditional picnic will be held at the home and yard of Bob & Paulette Goodman in Lakeville. In the past it was listed as sports and food but lately the only sport is marathon eating. Hopefully the water balloon launcher will be in action this year. Children of all ages welcome.

Their home is 17394 Isleton in Lakeville and can be reached by taking I 35 to the Highway 50 exit, going left for about 2 blocks to 175th and taking another left, then going about one mile to Isleton and turning left yet again. (This may mean more left leaning than some of us are used to.)

Come right after church and plan to eat at 1:00 pm, then linger until the mosquitoes come home. Bring a dish to share and drinks for your family. Meat and buns will be provided.
